

Small Grants For Field Study Projects

Awarded by **Santa Monica Bay Audubon Society**

Applications accepted throughout the year

Eligibility: Any full-time Community College or University Student engaged in a science project or major assignment in the fields listed below.

Purpose of award is to reimburse students for expenses directly involved with a project or small equipment needed for a project.

Grants are made directly to student.

Undergraduate and Graduate students are eligible.

Preferred Fields of Study: Southern California ornithology, natural science in the western Los Angeles County area, or policy studies impacting ecology of the Santa Monica Mountains, coastal region, or adjacent areas.

Applications are reviewed at the board meeting following the receipt of the application: Sept., Nov., Jan., March, May, July

Application can be found on line at [SMBAS Small Grants Document](#)

Applications by email to: [smbaudubon\[AT\]gmail.com](mailto:smbaudubon@gmail.com) Subject: Grant Application

Applications in writing (hard copy) mail to

SMBAS P.O. Box 35 PACIFIC PALISADES CA 90272

The number of awards varies each year depending on the availability of funds.

Awards are generally up to a limit of \$550 each. Awards are made approximately 45 days after application deadline. Longer-term projects may be eligible for renewed funding.

Santa Monica Bay Audubon Society is a chapter of the National Audubon Society
